Position Statement by Defendant ConnectU, Inc. ("ConnectU"): It is the position of ConnectU that Facebook has not met its burden of showing that *all* of the information found in Facebook's April 23, 2008, motion to enforce and supporting papers, and *all* of the information found in related motions (the subject of the various motions to seal filed by the parties between April 23, 2008, and June 9, 2008) should be filed under seal; ConnectU's attempts to obtain consent from Facebook to de-designate were unsuccessful. By including the information in the chart (above), ConnectU does not waive any arguments or rights as to (i) the admissibility or inadmissibility of evidence surrounding the mediation term sheet and the mediation, (ii) the scope and unenforceability of any confidentiality provision of any agreement, (iii) the unenforceability of any purported agreement, and (iv) revisiting the issue of de-designation should the Court at the present time grant all sealing motions but ultimately deny Facebook's April 23, 2008, motion.

Upon good cause shown, IT IS HEREBY ORDERED

_________that the motions filed by the parties are GRANTED, and that the above-listed documents shall be filed under seal in their entireties by the Clerk.

[or]

_________ that the motions filed by the parties are GRANTED with respect to motions to seal filed before April 23, 2008, and that the Court DENIES the motions to file under seal relating to filings on or after April 23, 2008, which relate to Facebook's "Confidential Motion" filed on April 23, 2008.[1]

IT IS SO ORDERED.

Honorable James Ware
United States District Judge

[1] Plaintiffs do not agree with this alternative proposed order. The parties agreed to keep the terms of the Settlement Agreement confidential. Further, any defendant's opposition(s) to the proposed sealing are now untimely to the extent more than three days have passed since the request was filed. Civil L.R. 7-11(b).
